WHY THIS COURSE?

- **FINAL OFFERING OF CURRENT EXAM FORMAT:** October 26, 2013 will be the last time the FE Exam is offered in the current format. *In 2014, the exam will be a completely restructured, discipline-specific, computer-based testing (CBT) model, for which no proven test-prep materials have been developed.*
- **FINAL OPPORTUNITY FOR PROVEN PREP-COURSE:** 2013 is the final opportunity to take the proven *MSPE-Sponsored FE Exam Preparatory Course*, which has helped students to pass the exam since 2010.
- **LEARN FROM ACCOMPLISHED INSTRUCTORS:** Learn from engineering professors from Northeastern University, University of CT, Wentworth Institute of Technology, and Massasoit Community College.
- **CONNECT WITH OTHER ENGINEERS** who are also preparing for the FE Exam.
- **SPECIAL OFFERS FROM NSPE/MSPE:** Students who complete the course and take the FE Exam in October 2013 will be eligible for discounts on Society membership and MSPE-sponsored programs & events.
