

**DATE:** November 2022  
**TO:** All MSPE Members  
**RE:** Important Volunteer Opportunity

**Member Opportunity: Serve as MSPE Delegate to NSPE**  
**Volunteer is Sought for Position by January 1 Deadline**

Every two years, our state must designate a member to serve as MSPE Delegate to our National Society (NSPE). Our current delegate, **Larry Nelson, PE**, enjoys this role and opportunity to represent MSPE; however, his second term is ending and NSPE bylaws require that a member can hold the position for only two consecutive terms.

**Therefore, by January 1, 2023, the MSPE Board must designate another member for this role.**

*The current delegate, Larry Nelson, has offered to work with and support the new delegate as an “alternate” whenever necessary, until he is once again eligible to serve – unless the new delegate wishes to continue serving past his or her first term.*

**Who is Eligible to Serve as MSPE Delegate to NSPE?**

All licensed engineers and NSPE members in good standing are potential candidates, and encouraged to consider this opportunity.

**Position Description and General Responsibilities of MA Delegate to NSPE**

[View the FULL SUMMARY](#) of this position, including: Overview of NSPE State Delegate Position Description and Responsibilities; State Delegate Criteria and Qualifications; Face-to-face and Online Meeting Details; Voting Procedures; Communication; Travel Reimbursement Policy, and more.

**Meetings**

The House of Delegates meets virtually just **once each year**. State delegates are expected to remain engaged and informed of NSPE activities throughout the year and to participate in online and conference call meetings, as required, between the annual General Assembly.

**Local Support for the Delegate**

The designated Delegate can *coordinate and share duties with Larry Nelson*, who may serve as an alternate when the designated delegate is unavailable.

**HOW TO APPLY FOR THIS OPPORTUNITY:**

Interested members are encouraged to submit their professional resume with contact information and work history for consideration to: [mspe-office@mspe.com](mailto:mspe-office@mspe.com) (**Use Subject Line:** MSPE Delegate to NSPE Candidate)

Thank you for considering this unique opportunity.

Sincerely,
